

Physical Education, School Sport and Physical Activity Development Plan and Premium Impact Report

At Durham Dales Federation

In **2024 – 2025**, Wearhead Primary School received **£13,000** Primary PE & School Sport Premium. This will be used in conjunction with other grants and funds from the school budget to raise standards in curriculum Physical Education, School Sport, Physical Activity and Healthy living (PESSPA).

Objective: To build capability within school and achieve self-sustaining improvement in the quality of PE and sport in primary schools against the 5 key grant condition indicators

The following PESSPA Development Plan includes all planned and continued actions to support the schools PESSPA programme and its vision, building upon previous achievements and sustaining the most valued approaches that support positive pupil outcomes. This action plan is a working document subject to change throughout the academic year. In the planning stages, costs are estimated where possible and actual spend recorded when known. This development plan will also include (and state clearly) actions and areas not funded directly from the PE & Sports Premium grant (free or other) to support a move towards a self-sustaining approach. The Primary PE and Sport Premium spend IMPACT will be finalised and reported on our school website by 31st July 2025.
